Braids

Braids

are a way for a culture to maintain its historical legacy.

From the classic cornrows to box, braids have remained a symbolic style while being a sign of societal status, ethnicity and religion. Braiders and Braid Wearers continue to contribute a variety of styles and trends to the hair care industry. Braid wearers' styles cover a vast genre of entertainers as well as beautiful everyday people like you. Both Braid Wearers and Braiders are looking for quality products formulated just for them to achieve the unique signature braid styles only they can create.

Nappy Styles is known for quality ingredients formulated with both Braiders and Braid Wearers in mind. Use Nappy Styles Braids to create your signature braid creation of Beauty with Braids.

Nappy Styles Braids Super Xtra Hold Braiding Gel

Nappy Styles Braids Super Xtra Hold is the ultimate gel for all Braids, Locs, Dread Locs and Twist. This specially formulated Gel provides the ultimate hold for your hair without flaking or frizzing, aids in the braiding process by helping with parting and providing you with an Xtra hold allowing braiders to grip any length hair. Also use as an excellent edge gel.

Nappy Styles™ Braids Strengthening Growth Oil

Nappy Styles Braids Strengthening Growth Oil is formulated to moisturize, hydrate and condition to make your hair manageable and protect while wearing braids and other protective styles. Our Strengthening Oil nourishes & energizes the scalp, activates moisture proteins to strengthen hair and repairs hair follicles.

Nappy Styles™ Braids Detangling Leave-In Conditioning Spray

Nappy Styles Braids Detangling Leave-In Conditioning Spray contains all natural avocado coconut complex, a customized blend of natural ingredients formulated to hydrate and seal in moisture while preventing breakage and protecting while braided or in protective styles. Our Detangling Leave-In Conditioner aids in minimizing itching while making hair soft and manageable. Perfect for everyday use.
